EXPERIENCE

Zalaris, Chennai — Cyber Security Analyst

JULY 2022 - PRESENT

As a Cyber Security Analyst at Zalaris, I collaborate within a skilled team to diligently monitor, detect, and swiftly respond to diverse cyber threats and incidents. My role involves proficient utilization of Splunk, SIEM, and SPL for in-depth analysis of logs, alerts, and events, enabling the creation of insightful dashboards, reports, and alerts. Additionally, I actively contribute to comprehensive vulnerability assessments, penetration testing initiatives, and rigorous security audits, ensuring the robust security posture and regulatory compliance of Zalaris's critical systems and invaluable data assets.

EDUCATION

Dr. MGR Educational and Research Institute, Chennai — *Master of Computer Applications*

NOVEMBER 2021 - MAY 2023

I obtained my Master of Computer Applications degree from Dr. MGR Educational and Research Institute, specializing in computer science and cybersecurity disciplines, achieving a CGPA of 8.03.

Ramakrishna Mission Vivekananda College (Autonomous), Chennai — *B. Com General*

JUNE 2018 - JULY 2021

Completed Bachelor of Commerce in General Studies at Ramakrishna Mission Vivekananda College (Autonomous), achieving a CGPA of 7.35.
